Garbage and recycling bins at the Community Center

The garbage container behind the Community Center is not to be used by residents doing renovations, for furniture, bags of clothes, mattresses or large appliances. It is to be used only if you have extra household garbage that won't fit in your bin. The recycling container is for large cardboard boxes that won't fit into your household bin, it is not for garbage. Please keep the area clean and be aware that there are security cameras.

People walking at night - It is highly recommended that you wear something reflective or carry a flashlight while walking at

night. This is for your safety and that of everyone on the road. Thank you.

Fall Festival 2023

The 2023 Fall Festival raised a total of 14 448.09\$. With the money raised we were able to donate to multiple local non-profit groups including the Cascapedia-St-Jules Fire Dept., the Eagle's Club, the Mutual Aid Committee, the New Richmond Sea Cadets, the 50+ Club, the Women's Institute, One Hope Canada and the Recreation Fund. The Fall Festival will also be sponsoring our women's softball team in one of their tournaments in the 2024 season. Thank you to everyone that came out and made the festival a success.

Exercise Classes

The municipality of Cascapedia-St-Jules will be offering exercise classes at the Community Centre starting in 2024. All classes will be virtually led, and there will be a wide variety of fitness classes offered. Community members are welcome to register for these classes for only 10\$/month. The workout schedule will be posted to the recreation Facebook page. For more information contact Miranda Willett at 581-886-8531.
